Strategic Plan Pillar: Opportunities for All Learners

Desired outcome: Information only to the Board ; no action required.

Discussion about challenges within Jordan School District that Board members could focus on solving during the coming year.

Strategic Plan Pillar: High Quality Instruction; Opportunities for All Learners; Student & Staff Wellness

Desired outcome: Each Board member will list the top one or two items they would like the Board to address this year. The Board will then decide if each item is a staff responsibility or Board responsibility. The Executive Committee will take information from this meeting and ensure re-priorities appear on future agenda items throughout the upcoming year. No action required.

Board members and the Superintendent may report on Board Advisory Board, District, or Community Affiliated Committees to which they are appointed.
